BEFORE YOU DEPART: SUBMIT EACH COURSE THROUGH THE WORKFLOW

You will need to submit a separate request for each course. It is important to ensure you get enough courses approved. Semester students are required to take a full course load (equivalent to 12 credits).

For each new Request, users will be required to electronically sign the **User Acknowledgement** to move forward with the approval process.

USER ACKNOWLEDGEMENT * YOU MUST AGREE TO ALL IN ORDER TO CONTINUE

I understand that:

- Credit and grade scales vary by country and institution.
- The number of credits awarded for each approved course will be evaluated and determined upon review of my official study abroad transcript.
- If applicable, I understand that the course(s) I wish to take must be evaluated by the relevant department's designee before this request can be evaluated.
- Courses evaluated by Temple as equivalent to less than 2.5 credits will only be eligible for transfer as elective credit.
- Credits will only transfer for courses in which I earned a grade of C or better.
- To receive the Global/World Society waiver I must successfully complete credit-bearing coursework, with a C- or better, worth at least three semester hours in an approved summer or semester study abroad program with a minimum stay of 28 days.
- Grades will not transfer back to Temple and will not be factored into my Temple GPA.
- After approved transfer coursework is complete, I must have an official transcript sent to Temple University Office of Education Abroad for credits to be posted to my Temple academic record.
- If my external program does not offer an official transcript, I must request an official transcript from my external program's School of Record; possibly at additional charge, see Study Abroad Portal for additional information for your specific program.
- I will not be approved to take a course(s) at another institution abroad if I have previously attempted or received credit for the course at Temple.
- If I do not successfully complete any pre-requisites for the course(s) that I am requesting permission to take abroad, I must contact my advisor to discuss alternatives.
- To meet Temple University's residency requirements at least 45 of my last 60 credits must be taken at Temple. (Some majors have additional residency requirements).

You can submit a course approval request by adding a course to your Request from a list of pre-approved courses **or** by writing in a new course and uploading a syllabus. **See below for examples of each.**

Once you have finished adding the course to your Request, you can review and confirm before submitting.

Properly submitted requests will receive a confirmation with a Request ID Number.
